14 Golightly Street BARWON HEADS VIC

3 1 1

This street is the best kept secret in Barwon Heads. A beautiful location within minutes of the Barwon River, 13th Beach and the supermarket only metres away, yet it feels like its miles away.

The property on offer is approx a 586 square metre block with a cute 'beachshack' on it. Plans have been drawn for a beautiful four bedroom home with a lap pool. The land runs east to west and is therefore allowing a lot of sunshine to beam into the windows and outdoor areas.

A very quiet street, no through traffic and as stated previously 'Barwon Heads' best kept secret location. An abundance of mature trees surround the street and the neighbouring properties, enhancing the beautiful and peaceful feeling as you enter and leave. We look forward to meeting you there!
