

3 Golightly Street BARWON HEADS VIC

3 2 3

This older style property is quite deceiving from the front. Yes it has psychedelic carpet but that adds to the character. It offers very large rooms throughout. Main lounge with gas heater and a built in bar, Second living area has a Split System heating & cooling unit. Kitchen offers electric cooking and a massive pantry. Meals area, Main bedroom with BIR plus an ensuite, Bedrooms 2 and 3 also have BIR's. Cool and funky bathroom with a separate bath and shower, Toilet separate. Laundry with linen closet. Slider leads out to an entertaining area, 2 x Garages, Peach/Lemon/Nectarine/Apple trees in fruit now, Fully secured yard. Please note this house is aged but has character and would make a great weekender. Situated behind the supermarket and a hop to the beach.
