

BARWON HEADS

2 1 3

This low-maintenance home on 613 square metres is centrally located and will appeal to those looking for a comfortable holiday house or easy investment or simply wanting to get into the thriving Barwon Heads Market.

Constructed from brick in the 1970s, the home is typically solid and is in excellent original condition, exhibiting intact features of that periods style.

The large lounge/dining room stretches the entire width of the home, making a comfortable space with an outlook over the front yard and gas space heater. Generously proportioned, the kitchen is in great condition and is open to the front living area. Two large bedrooms, the master with fitted wardrobes and dressing table, provide plenty of room. The bathroom is also in excellent original condition and with a separate shower, toilet and laundry, makes a very serviceable area indeed.

Outside, the garden is low maintenance with good lawn and established trees. Along with the front yard, there is a decent back yard and a useful private North facing side yard. Parking is well provisioned with a car port, secure car
