

## 18 Furneaux Close BARWON HEADS VIC

4 2 2

There's a wonderful feeling of space, light and quiet to this near-new Sorrento-brick veneer on the edge of Barwon Heads, alongside rural acres.

Built in 2005, everything is bright, clean and modern, and all appointments are new and functional. The house is on a spacious block of 854m, and would suit a large family.

Each of the four bedrooms has the luxury of a WIR plus new quality carpets. The master bedroom has a superbly finished ensuite with separate toilet and separate bath plus double vanity. The second bathroom also has a separate bath, shower and toilet.

The heart of this beautiful house is the open plan kitchen, living, dining area. The kitchen features an island bar, ample cupboards, roomy pantry, gas hotplates and electric oven, and the whole area is beautifully enhanced by solid wood polished floors.

There's also a separate formal living room, a study, and a rumpus room, all spacious and all with polished wood floors.
