5 3 4

Overlooking the 5th green of this spectacular Golf Course, this home provides a unique lifestyle, rarely available outside of holiday resorts! This architecturally designed home caters to your every need, allowing you to relax and enjoy the magnificent setting.

Built with family comfort in mind, the double storey home thoughtfully provides three living areas and 5 generous bedrooms so the whole family will exist in comfort. Two children's bedrooms adjoin a robust rumpus room, while the floor plan flows through to the open plan downstairs living with vibrant polished concrete floors, a gas wood heater, feature lighting and walls of windows opening out to the deck area and in-ground pool.

The most discerning chef will be impressed with this stylish kitchen, enjoying Caesar stone benches, stainless steel european appliances (including dishwasher), huge island bench and a large butler's pantry.

A timber staircase leads up to a lovely, light filled lounge off which we find the luxurious master bedroom. With very generous walk-in robe and a modern en suite with deep
