The Feel:

The home sets the scene for a warm summers night - you pull into the garage from work, open the gate and jump into the pool. The extended family can pop in for a swim and in true Aussie tradition, you can cook up a BBQ for everyone in your undercover kitchen. Kick back and relax admiring the entertaining space on offer! This is what this home is about!

It's rare to come across such a large block, with this much character in Ocean Grove's lakeside estate. The essence of country character mixed with modern interiors brings a feeling of home as you walk in the door. Loads of storage for boats, campers, trailers or caravan. If you are wanting to find a home with character, convenience and space, then look no further!
