The Feel:

Borne of a love of colour, texture & pattern, this meticulously renovated home is your ticket to 'village' life in this popular seaside town. The distinctive exteriors evoke a Scandinavian aesthetic, from the steep-pitched roofs, round loft windows & weathered hardwood timber. Brought to life by the owner, the interiors are bright, warm & eclectic. A lifetime spent here will be a life well lived, surrounded by flourishing gardens & the ultimate outdoor lifestyle that includes a pool, in-ground trampoline, fire pit & pizza oven. Modern & streamlined, with intimate, cosy rooms, this place offers a tangible retreat from the outside world, yet is so close to town that you will ride your bikes more than using your car.
