The Feel:

Designed to harness northern light and provide absolute security and privacy, this architect-designed townhouse development delivers perfectly on creature comforts, space and style. The thoughtful floorplan has been future-proofed, with the master bed & main living zone to ground floor and 2 additional beds & 2nd living upstairs. Integral to the design, the courtyard-style garden becomes the focal point of the home- a restful place for indoor-outdoor living, while extensive glazing captures the treetop views that Old Grove is so well loved for. Superior fittings & fixtures feature throughout, and include high-quality double glazing throughout, hydronic heating, Bosch appliances, stone countertops & spa sanctuary bathrooms.
