The Feel:

As the cliché goes in real estate, it's all about location. This 2-bedroom townhouse plus study has it in spades, set in the tightly-held Lookout Reserve cul-de-sac, with Orton St frontage and direct beach and park access beyond the garden path. Nestled behind the main beach and parkland, not many people can say they can stroll through their 'backyard' to one of Ocean Grove's highest points to enjoy breathtaking ocean views. A gentle stroll to The Terrace shops & local dining add further appeal to this delightful, low maintenance home, enticing as a permanent abode, weekender or portfolio addition.
