The Feel:

'Kyah' is named from an Aboriginal word meaning "a beautiful place?".

Set against a breathtaking background of ocean views that span the horizon line to Victoria's East Coast, Kyah redefines effortless luxury living in the ultimate lifestyle location that is steps to the surf beach and a moments' walk to The Terrace village centre.

Split over three levels, all serviced by a lift, these architecturally crafted homes have been designed to deliver functionality, comfort and quality in equal measure.

Living spaces connect seamlessly to outdoor entertaining zones, with expansive windows and clever design enhancing the feeling of openness within.

These contemporary seaside residences pay respect to the land, sea and sky.
