The Feel:
Cradled at the top of an elite Old Grove court and radiating that still-fresh feel of its recent renovations, this beautifully transformed character home provides a family sanctuary of lifestyle and leisure on a north-facing 834sqm (approx.) block. High ceilings amplify the home's impressive scale across multiple living and dining zones, providing families the freedom to enjoy time together or apart. The single level layout extends to a beautiful alfresco environment, where a sparkling mineral pool and landscaped gardens afford room to lounge, entertain, and soak up the leafy serenity, while a four-car garage gives the residence an extra edge. With nothing left to do but move in and enjoy, the property remains convenient to Ocean Grove Primary, Blue Waters Lake, and the town centre.

The Facts:
-A rejuvenated family classic offering a blend of serene lifestyle positioning & poolside relaxation
-Enjoy an instant sense of tranquillity afforded by the home's leafy 'bird court' setting
